Learners in the MA Leadership (GLD) program who complete their projects and coursework in December are eligible to walk in Commencement. Those learners in the program who are within 6 units of completion of their coursework in the spring are also eligible to participate in Commencement.

In order to participate in the May 2021 Commencement, you must submit the **final copy** of your thesis/project to your chair by 5/14/21.

If you complete program requirements earlier in the year, you may still participate in May Commencement activities. You are still required to meet the other respective deadlines.
