

Core Curriculum requirements are marked in blue and pre-planned, but they can be moved to different terms with exceptions for WRIT100s, JAN100s, SEM150, and SEM250. Once you input the course and its units, the total units per term and per year will be auto calculated.

Definitions of Full-time	
Minimum for Full-time	
12 cu per semester <i>and</i> 24 cu per year	
Maximum credits allowed without overload	
*36 cu/year; 18 cu/semester; 5 cu/JT	
Maximum credits allowed during JT	
5 cu (only 3 unit courses will count toward JT requirement)	
* The total for the year should not go above 36.	
So if 4 units are planned during JT, then 4 units should be subtracted from the semester loads.	
For instance,	
Fall - JT - Fall	
18 + 0 + 18 =	36/year
14 + 4 + 18 =	36/year
16 + 3 + 17 =	36/year
